

## GENERAL STUDIES

### **"The 10 Commandments"**

Led by Dr. Bill Tuck

Although the Ten Commandments are put in a negative form, they are positive messages on how to live a meaningful, moral life. We never outgrow these teachings. Based on his new book *The Ten Commandments: Their Meaning Today*, which will be the text for this study, Dr. Tuck will provide guidance for understanding the commandments and the rules for living our lives with the freedom and joy God intends us to have. This study will begin on April 14 and will continue for five Wednesday nights through May 12. **To sign up call or email Janet in the Discipleship office, [jkraft@coolspring.org](mailto:jkraft@coolspring.org) or 746-8972 x1.**

### **"Becoming a Contagious Christian"**

Led By Ted Tussey

- Ever been unsure about how to answer a friend's, or your child's, questions about Jesus?
- Does the word "evangelism" sound like something you'd rather leave to the "professionals?"
- Want to learn more about sharing your faith?

If you answered "yes" to any of these questions, you're not alone. Cool Spring's Outreach Ministry is offering the Becoming a Contagious Christian course for eight consecutive Wednesdays, beginning on April 14. Join others as we learn about strategies and insights for sharing our faith in natural and easy ways. Whether you're new to the faith or a seasoned veteran, this interactive and practical course is for you! **Questions?? - contact Ted in the Outreach Office at 746-2152 or [ttussey@coolspring.org](mailto:ttussey@coolspring.org)**

### **"The Way of the Master"**

Based on the award-winning TV series "The Way of the Master," the Basic Training Course is specially formatted to train believers in a group setting to simply and confidently share the gospel with family, friends, and strangers. This eight-session course will teach you to overcome your fears by using a proven, powerfully effective way to make the gospel make sense. You won't be at a loss for words or need to be an expert in apologetics. Instead, you'll learn the forgotten biblical principle of bypassing the intellect (the place of argument) and speaking directly to the conscience (the place of the knowledge of right and wrong) — the way Jesus did (Matthew 19:16-26). Using a captivating teaching style, Kirk Cameron (star of Fireproof) and Ray Comfort not only tell you how to witness, they show you, through fascinating on-the-street conversations with gang members, atheists, cult members, intellectuals, etc.

## HEART-TO-HEART

### **Women's Discipleship Courses**

#### **"EnJOY: A Thirst-Quenching Look at Philippians"**

This study by Tianne Moon brings an enduring biblical perspective on the meaning and source of true joy. Participants will learn that the reality of everyday life can erode the feeling of happiness—unless a foundation of joy is already in place. And such a foundation comes from seeing life through God's perspective. This is a 6 week verse-by-verse look at Philippians encouraging women to study the scripture and apply it to life.

Wednesdays 6:10-7:30 pm Room B80

#### **"No Other Gods: Confronting Our Modern-Day Idols"**

In this study by author Kelly Minter you will find the topic of false gods to be a significant one; not something banned to foreign lands and ancient times, but something we deal with on a regular basis within the confines of our hearts. Regardless of our idols, they all take the place of God in our lives, something He is not keenly given to because of His great and jealous love for us. You will discover how much God desires to free us from such powerless, yet deceptive, gods so that we can make room for His all-surpassing presence to move in our lives.
