

Cool Spring Baptist Church

Prayer Ministry January/February 2010

God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea, though its waters roar and foam and the mountains quake with their surging. Psalm 46:1-3

Prayer Requests From Our Staff

Dr. Bill Tuck

Please pray for the Transition Team that they would have God's wisdom and direction. Their retreat is Jan. 16 and then they will continue to meet together and with many church members. Pray for the church at large during this process. Personally, for my sister in law as she and family deal with her terminal cancer.

Ted Tussey

Pray for God's wisdom, leadership and guidance for our church. Pray that the Lord will provide the necessary financial resources to allow us to accomplish our mission as a church.

Pray for individuals and families in our church who are in crisis regarding marriages, family issues, financial issues and job loss.

Praise God for a good recovery from hip replacement surgery.

Tony Ramirez

We must be in prayer for Pastor Tuck. Pray that God gives him spiritual wisdom as he leads our church. Pray for him as he leads the transition team. Pray as he continues to lead, guide, and encourages the staff and lay ministers.

Pray for the transition team as they humbly set out to do God's will as leaders in this intentional process. Pray that God would move them to follow His will.

Pray for the many families that are coming off the Christmas season with heavy hearts because they miss their loved ones. Pray that they will find the love of Christ here at Cool Spring.

Pray for all the new studies starting this month. Pray that God will use each teacher to draw more to Himself.

Pray for all those that are facing new job cuts this New Year. May God provide their every need and may they recognize

His work in and around their lives.

Praise for the staff under spending their budgets in light of these hard economic times.

Praise for the arrival of our new Middle School Minister, Pastor Jesse and his bride Heather. May God pour His work through them into the hearts of our middle school families.

Proverbs 27:19 It is your own face that you see reflected in the water and it is your own self that you see in your heart.

For Middle school ministry: That God would use the Acquire the Fire conference to challenge students in their faith. For the homeless ministry, that students would be used by God to share the Gospel with those receiving backpacks. For myself as I seek God's direc-
