

## TUESDAYS

Sisters-in-Christ

Join this non-threatening small group of sisters in Christ as we immerse ourselves in God's word through a variety of studies and authors. Our current study is "The Vision of His Glory" by Anne Graham Lotz. We are committed to seeking God. We open with a time of fellowship followed by our study. We conclude with prayer requests and praises. As we lift one another up, our bond in sisterhood is strengthened. We meet throughout the school year and we are praying for YOU to join us!

## WEDNESDAYS

Common Ground

This small group is comprised of young adult couples (ages 20-35) seeking to grow in their relationship with God. This group meets weekly and child care is provided. Come join us for a casual time of fellowship, sharing, prayer, and Bible study. We are currently studying "**Daniel: Lives of Integrity, Words of Prophecy**" by **Beth Moore** which shows how individuals can live with integrity in today's self-absorbed society. Join us in a faith-building study of prophecy and learn how to shine for Christ in our modern culture. We look forward to getting to know you and encouraging you in your spiritual growth.

Common Ground - II

This small group is comprised of young adult couples (ages 20-40) seeking to grow in their relationship with God. We meet on Wednesday evenings from 6:15-7:30 and child care is provided. We will be studying "**When Worldviews Collide**" by **Ergun Caner**. This study equips believers to confront their culture with truth and compassion. Participants will identify six ways Christianity differs from other belief systems, summarize the basic beliefs of four major world religions and prevalent cultural philosophies, state biblical responses to non-Christian beliefs, and identify ways to minister and witness to followers of other belief systems. We look forward to meeting with you and seeing what God has to teach us through this study.
