Parents & Students,

Our Spring Conference this year will be March 18-19, 2011. This conference will be an exciting one with incredible worship led by the group, Dutton, entertainment from the Skit Guys, and fantastic speakers, Mark Matlock & Zach Hunter.

The theme for this year's conference is "A GOD YOU CAN KNOW." *God is not generic. He has a name, a personality and emotions. Through an in-depth look at God's specific attributes, we will discover what God is really like and practical ways we can change the world as we become more like Him.*

We will begin taking registration for this conference January 26. **The deadline to turn in money and the Cool Spring medical form for this trip is Wednesday, March 2. The cost is \$65.** This price includes everything for the trip except for money for two meals, lunch & dinner on Saturday.
