

mFUGE®

Build. Feed. Teach. Serve.

Dear Friends:

This summer I will have the opportunity, through the student ministry at Cool Spring Baptist Church, to serve in Williamsburg, KY, with a ministry called, M-Fuge. M-Fuge is a ministry of Lifeway designed to introduce students to mission work. Students and adults will have an opportunity to serve in a different setting than they are used to and work with people, all with the purpose of seeing the Kingdom of God grow through the spreading the Gospel. There are lots of people in North America who need Christ! The ministry assignments in Williamsburg will include sports camps, community service projects, servant evangelism projects, children’s ministry, and some basic home repair.

Would you please consider partnering with me, both prayerfully and financially, to enable me to go and share in the work of ministry in order to share Christ’s love with the people of Williamsburg? My total need is \$365. Please send donations to my church and they will credit my “account.” Use the tear-off portion below. I need to have all the money by June 12. *All contributions to Cool Spring Church are income tax deductible and are made with the understanding that Cool Spring Church has complete discretion and control over the use of all donated funds.*

Thank you so much for prayerfully considering this unique opportunity! I will be in touch with you soon to make sure you received this letter and to let you know more.

Sincerely,
